

Joint Commissioner/Council Insurance Committee Meeting
March 20, 2018

Present: Jack Kroeger, Blake Bunner, David Gogel, Matt Knepper, Todd Ruxer, Aaron Benton, Steve Winsett, Jim Seiler, Al Logsdon, Tom Brown, Auditor Autumn Winkler

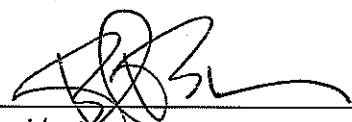

Meeting was called to order by Blake Bunner at 4:30 P.M.

Pete Franzman – Franzman Insurance

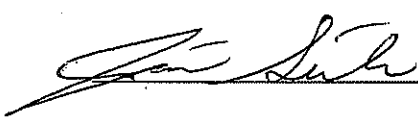

Franzman presented data from the August 1st renewal through current and stated we have had a pretty good year so far. Our aggregate claims are at 82% and we have only had one member hit the specific reinsurance over \$60,000.00. Hopefully we will stay on track with no excessive claims for the rest of the year.

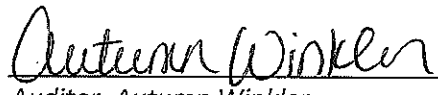

Franzman discussed a new service through SIHO that could be added to the plan for a very small fee called TelaDoc. This service would cost the county \$2.50/employee per month and would be a phone service where they call a doctor for minor illnesses. A doctor could prescribe the member medication without having an office visit. This service would be free to the member and would include all covered dependents on the plan. This would save the county and the member the cost incurred by an office visit. There are currently 109 members on the plan so the annual cost to the county would be \$3,270.00. The board will look into this further and make a decision at a later date.

Winsett made a motion to adjourn. Ruxer seconded the motion, motion was approved. Meeting was adjourned at 5:03 P.M.
