This year's session will be on RULE 410 IAC 6-8.3. A copy of Rule 410 IAC 6-8.3 can be found at Spencercounty.in.gov. We strongly suggest you start studying the Rule now! ONE of the requirements for becoming a Spencer County Certified Septic Installer is YOU MUST TAKE & PASS THE EXAM per Spencer County Ordinance 2019-03.

PLEASE NOTE: The test itself is modeled after the IOWPA practice test. The test will consist of multiple choice and fill in the blank answers. **YOU ARE STRONGLY ENCOURAGED TO TAKE THIS PRACTICE TEST AVAILABLE AT www.iowpa.org**

1. Click on Practice Exam on the right and click on the link in blue

You will have to take and pass an exam for each type of system you wish to be licensed to install.

1. Subsurface gravity feed systems and subsurface drainage.
2. Subsurface flood dose systems.

WE WILL CONTINUE TO OFFER AN OPEN BOOK EXAM.

If you hold a current certification through a sand line system manufacturer, you must take and pass the subsurface gravity feed and subsurface drainage exam. You must also take and pass the flood dose exam if you wish to be licensed to install flood dose sand line systems.

IN THE EVENT YOU HAVE TO RETAKE THE EXAM YOU MUST SCHEDULE THAT WITH THE HEALTH DEPARTMENT. TRAINING WILL NOT BE OFFERED THIS DAY.

YOU MUST SUBMIT the enclosed certified installer application, \$50.00 application fee and certificate of liability insurance BEFORE TESTING. You WILL NOT be permitted to take the exam until all of the above documents have been submitted and the \$50.00 application fee has been paid.

If you have any questions, please feel free to call.
